

THE CHARLESTON MANUFACTURING, LLC LINEAL PROGRAM

Our material, your labor... a winning combination!

Did you know that Charleston Manufacturing, LLC's thoughtfully designed post and panel extrusions are offered to the trade in stock mill finish lengths for fabrication in your own shop? Yes, it's true! Simply give us a call or send us a note and we'll set you up with everything you need so that "you can make it yourself"!

Also, keep Charleston Manufacturing, LLC in mind for simple extruded shapes such as angles, bars and tubes. If you're "building your own", Charleston Manufacturing, LLC can help with the finest quality extruded shapes at prices you can afford. Partner with us for a winning combination!
